Dear Valued Customer,

At North American Corporation, we're committed to helping you better manage your facilities and maintain a cleaner, healthier and safer environment. We know that means more than having the right products when you need them. It's helping you utilize them more effectively and continually offering you innovative ideas to create greater efficiencies in getting things done.

We've created this reference guide with you in mind – aligning ourselves with manufacturers that meet or exceed our criteria when it comes to quality, cost and sustainability.

Inside you will find solutions North American Corporation has found to be the best in the industry and informative advice on a variety of topics of new technologies – all designed to save you time and money.

By organizing the products, information and other tools you need into one practical resource, we're putting years of experience and expertise at your fingertips, making it easier than ever to improve the effectiveness of your facility needs.

As a North American customer, you have access to more than just products – as your business partner, we will work closely with you to develop highly customized programs – providing the information, processes, training, and exceptional support you need to reduce costs, improve and enhance operational efficiencies.

Our goal is simple: to build a lasting relationship based on shared respect, trust, commitment and values. It's a partnership we value and look forward to strengthening each day.

Best regards,

Your North American Team

Our careful selection of skilled technicians, supplier alignments and asset tracking capability is designed to provide you the tools to maximize productivity and manage costs to maintain your equipment investments.

Features:

- On-site Service Capability
- In-house Detailed Repair Analysis
- Web-based Equipment Tracking
- Highly Skilled, Factory Trained Technicians
- Customized Program Maintenance
- Prompt Follow Up and Quick Turnaround

Program Management Features:

- On Site Analysis to Ensure Environmental Compliance Use
- Recommended PM Based on Usage and Condition
- Annual Agreement of Pre-Scheduled Maintenance
- Detailed Checklist Indicating Performance Items
- No Travel Costs for Program Maintenance Visits

Call Technical Service at 866.402.6554. We repair most all manufacturer's makes and models. Logo's represent some of the common brands for which we provide service.

Explanation of Service Rates:

Labor Rate - Billed per quarter hour - all equipment types. Please contact service department for a quote as rates may vary.

Travel Rate - Actual cost is determined by distance; no flat rate.

Parts Pricing - Will never exceed manufacturer recommended price.

Loaner Policy - Program maintenance customers are provided a 50% discount off North American published rental rate.

Warranty Service - Will comply to manufacturer published policy. Equipment age will be the responsibility of the customer to provide unless equipment is purchased from North American.

Freight Cost - Only passed on if expedited service is requested. No fuel surcharge for on-site visits.

Burnisher-Battery

Tomcat Walk Behind Burnisher

The Tomcat 200's tough construction, compact size and superior performance make it the battery burnisher of choice. Smaller than most walk behinds, this model maneuvers through congested areas with ease and has built in Dust Control and high efficiency filters.

Item No.	Model	Pad Size	Speed	Motor
235006	200	20"	2000 rpm	3 hp

Tomcat Micro Rider Burnisher

The Tomcat Micro Rider has double the battery of the walk behinds and 35% wider burnishing path. This unit is equipped to run over four hours on a single charge which is enough to polish over 140,000 sq. ft. It also features active dust control.

Item No.	Model	Pad Size	Speed	Motor
267002	255-XL	27"	1300 rpm	4 hp

Tomcat Compact Rider Burnisher

The Tomcat Compact Rider is the only rider burnisher built that can operate eight hours continuously. This unit is equipped with an extended battery option and Active Dust Control. Provides up to 250,000 sq. ft. of productivity without stopping.

Item No.	Model	Pad Size	Speed	Motor
265332	275	27"	1300 rpm	4 hp

Windsor Stand Up Burnisher

The Chariot iGloss with its 2.5 hp motor is able to burnish up to 42,500 square feet per battery charge. The Chariot line was designed by ergonomic experts to reduce injuries caused by muscular and skeletal strain. The Deluxe model includes an extra battery.

Item No.	Model	Pad Size	Speed
268211	Chariot iGloss	20"	2000 rpm
268220	Chariot iGloss Deluxe	20"	2000 rpm

Windsor Walk Behind Burnisher

The Windsor Lightning has easy-to-use controls which simplify training and provide more consistent results. Its dust control system eliminates the need for dusting after burnishing for additional labor savings.

Item No.	Model	Pad Size	Speed	Motor
266802	Lightning	20"	2500 rpm	2.5 hp

Burnisher-Cord Electric

Koblenz High Speed Burnisher

This High Speed Burnisher is equipped with a 1.5 hp DC motor for reliability, a self-centering pad locking device, a fixed handle design for precise operation and a non-marking bumper guard.

Item No.	Model	Pad Size	Speed	Motor
200034	B1500P	20"	1500 rpm	1.5 hp

Koblenz Dust Control Burnisher

The Koblenz high speed burnisher with dust control system eliminates airborne dust in a convenient disposable filter bag. You no longer need to dust mop after burnishing. The flexible skirt aids in better dust containment. All metal construction.

Item No.	Model	Pad Size	Speed	Motor
974802	B-1500C	20"	1500 rpm	1.5 hp

NSS Floor Burnisher

The Charger 1500 is a signature machine in the NSS line. This burnisher is the very definition of versatility since it can burnish, spray buff and damp strip. An aggressive pad speed and rugged construction enable it to produce that ultra-gloss “wet-look” shine year after year.

Item No.	Model	Pad Size	Speed	Motor
266602	Charger 1500	20"	1500 rpm	1.5 hp

NSS Floor Burnisher

The Charger 2500, also known as “The Finisher,” is the perfect burnisher for marble or terrazzo floors. Ideal for use in high-speed maintenance programs, the Charger 2500 produces a brilliant high gloss shine and brings floors back to their peak appearance after damp mopping or auto-scrubbing.

Item No.	Model	Pad Size	Speed	Motor
162152	Charger 2500	20"	2500 rpm	1.5 hp

Burnisher-Propane

NuSource Propane Burnisher

A perfect combination of power and performance delivers the kind of shine only a propane burnisher can offer. Ultra low emissions keep CO levels under 100 PPM. The carburetor is certified with EPA approvals to ensure safe and efficient performance.

Item No.	Model	Pad Size	Engine
142805	NU21PBK	21"	17 hp Kawasaki
146013	NU24PBK	24"	17 hp Kawasaki
123745	NU27PBK	27"	17 hp Kawasaki

For cleaning hard surfaces. Nylon scrubbing brushes feature .028" diameter fill material throughout the block. Nylon is most flexible and will last the longest.

Item No.	Size	Fits
615301	17"	NSS & Koblenz Floor Machines
977019	20"	NSS & Koblenz Floor Machines

Spectrum Select™ Black Stripping Pad

Designed for heavy duty wet stripping. Aggressively removes wax, dirt, and old finish. For use with machines up to 350 rpm. 100% of the polyester fiber comes from post consumer and industrial recycled waste. Primary sources include recycled soda and water bottles.

Item No.	Size	Fits
424214	13"	Floor Machines
420114	17"	Floor Machines
421414	20"	Floor Machines

Spectrum Select™ Blue Scrubbing Pad

For wet scrubbing or heavy duty spray cleaning. Aggressively removes heavy dirt and scuff marks. For use with machines up to 350 rpm. 100% of the polyester fiber used comes from post consumer and industrial recycled waste. Primary sources include recycled soda and water bottles.

Item No.	Size	Fits
424414	13"	Floor Machines
420314	17"	Floor Machines
421814	20"	Floor Machines

Spectrum Select™ Green Wet Scrubbing Pad

For heavy duty wet scrubbing or light stripping. Aggressively removes dirt and scuff marks. For use with machines up to 350 rpm. 100% of the polyester fiber used comes from post consumer and industrial recycled waste. Primary sources include recycled soda and water bottles.

Item No.	Size	Fits
424314	13"	Floor Machines
420214	17"	Floor Machines
422014	20"	Floor Machines

Spectrum Select™ Purple High Performance Stripping Pad

Designed specifically for the heaviest duty stripping tasks. This pad is made with extra heavy denier fiber, more abrasive grit, and more open weave. For use with machines up to 350 rpm. 100% of polyester fiber used comes from post consumer and industrial recycled waste.

Item No.	Size	Fits
421914	20"	Floor Machines

Spectrum Select™ Red Spray Buffing Pad

Removes light dirt and scuff marks. Mildly aggressive, ideal for daily spray buffing. For use with machines up to 800 rpm. 100% of the polyester fiber used comes from post consumer and industrial recycled waste. Primary sources include recycled soda and water bottles.

Item No.	Size	Fits
424514	13"	Floor Machines
420414	17"	Floor Machines
422114	20"	Floor Machines

Spectrum Select™ White Dry Polishing Pad

Extra fine pad for polishing clean dry floors. Use dry or with a fine water mist to produce a high gloss wet look. For use with machines up to 800 rpm. 100% of polyester fiber used comes from post consumer and industrial recycled waste.

Item No.	Size	Fits
424614	13"	Floor Machines
420514	17"	Floor Machines
422214	20"	Floor Machines

Spectrum Select™ Pink AutoScrub Floor Pad

With a resilient and open construction, this pad cleans light dirt and scuff marks. For use with machines up to 1500 rpm. 100% of polyester fiber used comes from post consumer and industrial recycled waste. Primary sources include recycled soda and water bottles.

Item No.	Size	Fits
421614	20"	Floor Machines

Malish Solution Tank

This four gallon solution tank can be used on all standard floor machines. Includes all hardware.

Item No.	Size	Fits
267817	4 Gallons	Universal

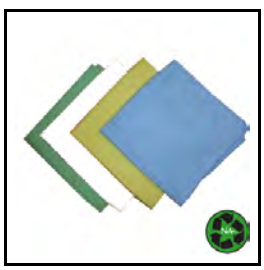
Laundry

Koblenz Portable Washer

The Koblenz lightweight portabable washer is a space-saver. Its compact design allows it to be stored almost anywhere. It features a rustproof polypropylene cabinet for longer life cycle.

Item No.	Capacity	Weight
200036	6.6 lbs	24 lbs

Laundry-Accessories



Goldenstar Microfiber Cloth

Microfiber cloths are ideal for cleaning counter tops, metal, plastic, glass, or any hard surfaces. Saves time, and requires little, or no cleaning agents. Leaves surfaces dry and streak free. Highly launderable. Reusable microfiber towel reduces paper consumption.

Item No.	Type	Size
245905	Green	16x16
200038	White	16x16
246105	Yellow	16x16
245705	Blue	16x16

Wypall® Microfiber Cloth

The Wypall Microfiber Cloths with Microban Protection help you to clean smarter while inhibiting the growth of stain and odor causing bacteria on the cloths. The cloths, when dampened with water, remove up to 99% of bacteria from non-porous surfaces.

Item No.	Type	Size
200009	Faded Red	15.75x15.75

Minuteman Litter Vacuum

The Vac-35, the first of its kind brought to the market by Minuteman Parker in the mid 1960's, is the premier walk-behind litter vacuum. Unequalled vacuum power combined with superior maneuverability makes the Vac-35 the best choice in litter cleanup.

Item No.	Model	Engine	Powered
265037	Vac 35 Manual	8 hp	Gas
265034	Vac 35 Self Propelled	8 hp	Gas

Scout Systems Liquid Laundry Detergent

Maintain the luxurious, soft feel and life of all fabrics while breaking down even the most stubborn stains with Scout System's pH balanced Commercial Laundry Solution.

Item No.	Type	Size
268206	Liquid	1 Gallon
202993	Liquid	5 Gallons

Outdoor Equipment-Accessory

Minuteman Outer Bag

Replacement outer bag for Minuteman-Parker outdoor vacuums.

Item No.	Type	Fits
100661	Outer	Minuteman 35

Outdoor Equipment

Dolmar Back Pack Blower

Blows leaves, dirt, waste, even powdered snow. Low fuel consumption compared with low emissions. Adjustable and ergonomic joystick-handle. Easy to acess, large capacity air cleaner. Comfortable and ventilated backpack design.

Item No.	Model	Engine	Powered

Dolmar Blower

Compact and lightweight - this is the perfect blower for cleaning paths, driveways and other areas. Ideal machine for the proud home owner or professional. High performance full crankshaft engine has electronic ignition.

Item No.	Model	Engine	Powered
994515	PB-250.4	24.5 CC	Gas

Pressure Washer-Cold

Shark Electric Cold Pressure Washer

The BT is Shark's most durable electric-powered, portable, cold water pressure washer line. Powered by an industrial-grade Baldor motor, the rugged belt-drive models feature the tri-plunger, oil-bath Shark pump backed by the market-leading 7-year warranty.

Item No.	Model	PSI	GPM	Pump
137018	BT Series	3000	4.8	Shark/Belt

Shark Electric Cold Pressure Washer

For permanently installed indoor or outdoor cleaning, there is no better unit than the Shark CB. Housed in a durable, ventilated, water-resistant, steel cabinet with powder-coat finish, the CB is rugged throughout with an industrial Baldor motor and a magnetic starter for operator safety.

Item No.	Model	PSI	GPM	Pump
107202	CB Series	2000	4.2	Shark/Belt

Shark Gas Powered Cold Pressure Washer

The Shark-Karcher DG is a gasoline-powered direct-drive, cold water pressure washer that features an industrial-grade Honda engine. It's rugged yet affordable as well as compact enough for loading into most vehicles and easy to maneuver around work sites.

Item No.	Model	PSI	GPM	Pump
196904	DG Series	2400	2.3	Karcher KG/Direct

Shark Hot Pressure Washer on Trailer

Package includes a 4.7 gpm at 3500 psi, 20 hp Honda engine, belt driven. Includes high pressure hose reel, garden hose reel, pressure hose and battery. The trailer has a load capacity of 3300 and a 200-gal water tank made of high density polyethylene.

Item No.	Model	PSI	GPM
144407	Single Axle	3500	4.7

Pressure Washer-Hot

Shark Gas Powered Hot Pressure Washer

The SGP is Shark-Karcher's solution to the demand for versatility and portability in a compact hot water pressure washer. In fact, this extra-compact model weighs only 400 lbs and thanks to revolutionary engineering, it can operate without the need for a battery.

Item No.	Model	PSI	GPM	Pump
122554	SGP Series	2400	2.7	Shark/Direct

Shark Hot Pressure Washer on Trailer

Package includes a 4.7 gpm at 3500 psi, 20 hp Honda engine, belt driven. Includes high pressure hose reel, garden hose reel, pressure hose and battery. The trailer has a load capacity of 6000 lbs and a 330-gal water tank made of high density polyethylene.

Item No.	Model	PSI	GPM
193512	Tandem Axle	3500	4.7

Shark Gas Powered Hot Pressure Washer

The SGP is Shark's answer to meet the rental industry's demand for versatility and portability in a hot water pressure washer. Mounted on an extra-durable 1-1/4" steel chassis and protected by a rugged steel roll cage, the SGP is easy to move in all terrain with its four 10" tubed pneumatic tires.

Item No.	Model	PSI	GPM	Pump
235011	SGP-XL Series	3500	3.5	Shark/Direct

Pressure Washer-All Surface

Kaivac No-Touch Cleaning System

With the same powerful cleaning capability as other Kaivac systems, this high capacity model has a compact size making it more worker-friendly and giving it greater maneuverability. To protect worker health and Indoor Air Quality, it also has an advanced HEPA air-filtration system.

Item No.	Model	PSI	GPM	Cord
265141	Kaivac 1750	500	1	50'

Shark Gas Powered Hot Pressure Washer

The SSG is the most rugged hot water pressure washer in the industry with its extra-durable 1-1/4" steel chassis, a compact design, heavy-duty components and a leak-free hot water coil. It also features a Vanguard gasoline-powered engine with an electric start.

Item No.	Model	PSI	GPM	Pump
235003	SSG Series	3000	4.8	Karcher KT/Belt

Windsor Steam Cleaner

The Zephyr offers hygienic cleanliness without chemicals. The two-tank system helps shorten heating times and reduce power consumption since only half the water capacity needs to be heated at any given time.

Item No.	Model	PSI	Heater	Cord
998823	Zephyr	46.4	2250 watts	24.6'

Pressure Washer-Accessories

Scout Systems Heavy Duty Environmental Degreaser

A safe, effective and compliant chemical to protect the user, facility & surface while being environmentally compliant. Contains no hazardous caustic or toxic ingredients, no acid or alkaline or inferior petroleum based surfactants, butyls, phosphates or d'limonene.

Item No.	Model	Type
266817	1 Gallon	pH7 Degreaser
267618	5 Gallons	pH7 Degreaser

Shark Detergent Injector

This detergent injector attaches to Shark pressure washers and automatically injects detergents into the high pressure spray. This detergent kit is adjustable which allows you to meter the detergent with a twist of the brass knob. This model features up to 3500 psi and 3-4 gpm.

Item No.	Model	Type
107057	Adjustable	Detergent Injector

Shark E-Zee Hose Reel Kit

The E-Zee Reel is built tough, and holds 100' of 3/8"ID hose. This affordable kit contains the connection hoses, hardware as well as the hose reel. The convenient mounting kit adapts to the Shark SGP, HPB and STP Series Pressure Washers, all available through North American.

Item No.	Model	Type
127811	100' - 4000 psi	E-Zee hose reel kit

Shark Flat Surface Cleaner

The Steel Eagle Surface Cleaner attaches to the pressure washer with its adjustable-height water-propelled spray bar for consistent cleaning of a variety of flat surfaces. Cuts cleaning time by as much as 66%, easy to operate, with no operator fatigue. This fits Shark pressure washers.

Item No.	Model	Type
199120	24"	Steel Eagle Surface Cleaner
266042	30"	Steel Eagle Surface Cleaner

Shark High Pressure Hose

The Shark high-pressure hose is made with extra-rugged, steel-wire braid. This non-marking blue hose is easily identifiable and delivers seven times the abrasion resistance of other brands. Fits Shark pressure washers.

Item No.	Model	Type
188312	50' - 3000 psi	Single wire braid hose
104652	100' - 3000 psi	Single wire braid hose

Shark Wand

This zinc plated wand has an adjustable head and is used on Shark pressure washers.

Item No.	Model	Type
100276	Adjustable Head	Zinc Plated Wand

Scrubber-Ride On

NSS Scrubber

The new Champ 2929 autoscrubber from NSS is the snappy little ride-on with big ride-on power. Its 36V electrical system delivers up to 30% more run time than a comparably configured 24V automatic scrubber.

Item No.	Model	Path	Pad Size	Motor
265630	Champ 2929	29"	(2) 15"	2 hp

NSS Scrubber

The little ride-on autoscrubber with 'oomph' just got bigger. For those who love the performance characteristics of the Champ 2929 but need to clean larger floors, the Champ 3529 is the perfect ride-on scrubber.

Item No.	Model	Path	Pad Size	Motor
267003	Champ 3529	35"	(2) 18"	2.5 hp

Tomcat Cylindrical Scrubber

The compact GTX scrubbers offer the productivity of riders with better maneuverability. Designed to clean schools, hospitals, and warehouses yet built to withstand any high demand application. These cylindrical machines scrub and sweep in a single pass.

Item No.	Model	Path	Pad Size	Motor
113757	GTX-24	24"	(2) 22"	(2) .75 hp
100707	GTX-27	27"	(2) 25"	(2).75 hp

265117	GTX-34	34"	(2) 32"	(2) .75 hp

Tomcat Cylindrical Scrubber

The XR series scrubbers combine the productivity of rider floor scrubbers with the maneuverability of walk-behind floor scrubbers. The cylindrical units reduce or eliminate dust mopping, by sweeping and scrubbing in a single pass.

Item No.	Model	Path	Pad Size	Motor
245106	XR-40	40"	(2) 38"x7"	(2) 1.5 hp

Tomcat Disk Scrubber

The compact GTX scrubbers offer the productivity of riders with better maneuverability. Designed to clean schools, hospitals, and warehouses yet built to withstand any high demand application. The disk machines offer gimbaled brush drive and 50% more scrubbing power than competitive brands.

Item No.	Model	Path	Pad Size	Motor
960220	GTX-26	26"	(2) 13"	(2) .75 hp
267030	GTX-30	30"	(2) 15"	(2) .75 hp
267130	GTX-34	34"	(2) 17"	(2) .75 hp

Tomcat Disk Scrubber

The XR series rider floor scrubbers combine the productivity of rider floor scrubbers with the maneuverability of walk-behind floor scrubbers. The two disk machines, with 33” to 40” scrub paths, offer gimbaled brush drive and 35% more scrubbing power than competitive brands.

Item No.	Model	Path	Pad Size	Motor
245107	XR-34	34"	(2) 17"	(2) 1.5 hp
245105	XR-40	40"	(2) 20"	(2) 1.5 hp

Windsor Stand Up Disk Scrubber

As the industry's first stand-up platform of floor care equipment, the Chariot significantly increases productivity and cleaning quality by reducing operator fatigue. The iScrub features AquaMizer which extends time between drain and refills by up to 50%.

Item No.	Model	Path	Pad Size	Motor
268228	Chariot iScrub	24"	(2) 12"	2 x .3 hp

Scrubber-Walk Behind

NSS Automatic Scrubber

Ergonomic design with a compact body makes the 1708/2008 the best value in small floor scrubbers. Designed for applications from 10,000-30,000 sq. ft., these Wranglers are perfectly sized for small office buildings. The AE models are cord electric to avoid battery maintenance upkeep.

Item No.	Model	Path	Pad Size	Motor
169022	Wrangler 1708 AE	17"	17"	.75 hp
162222	Wrangler 2008 AE	20"	20"	.75 hp

NSS Automatic Scrubber

A tight turning radius and scrub head lock-down feature allow the mid-sized Wrangler 2016 to tackle heavy scrub and standard scrub jobs with ease. Its 20-inch scrubbing path makes quick work of any task. The AB model features a straight squeegee; the DB model features a curved squeegee.

Item No.	Model	Path	Pad Size	Motor
140420	Wrangler 2016 AB	20"	20"	.75 hp
189804	Wrangler 2016 DB	20"	20"	.75 hp

NSS Automatic Scrubber

The Wrangler 2625 DB is the mid-size value leader with large scrubber features in a compact, maneuverable package. The 2625 DB has variable speed propulsion and three scrub pressures. This model features a curved squeegee.

Item No.	Model	Path	Pad Size	Motor
977619	Wrangler 2625 DB	26	(2) 13"	(2) .75 hp

NSS Automatic Scrubber

With the high performance Wrangler 2730 and 3330, cleaning large areas has never been easier. These rugged maneuverable autoscrubbers are unsurpassed for cleaning power, productivity, and dependability.

Item No.	Model	Path	Pad Size	Motor
266903	Wrangler 2730 DB	27"	(2) 14"	(2) .75 hp
265330	Wrangler 3330 DB	33"	(2) 17"	(2) .75 hp

Tomcat Mini-Mag Disk Scrubber

Designed and built to clean schools, malls, warehouses, hospitals or any application where extra cleaning performance is desired and durability is demanded, the Mini-Mag™ floor scrubber is the toughest small frame walk behind auto-scrubber on the market today.

Item No.	Model	Path	Pad Size	Motor
180951	17" Brush Assist	17"	17"	1 hp
235007	20" Brush Assist	20"	20"	1 hp

PAYMENT METHODS
Hard copy purchase orders is the most common method.

SALES TAX
Prices do not include any federal, state or local taxes. Applicable sales tax will be added to all orders shipped to the following states: Arizona, Florida, Illinois, Indiana, and Wisconsin.

SUBSTITUTIONS
In the event the manufacturer discontinues a product, North American reserves the right to replace the item with a comparable or better item. We will always notify you if any product changes.

DELIVERY TIME
Orders received during regular business hours will be picked and shipping within 48 hours. Next day delivery is available in the local Chicago market.

SHIPPING
We will select the most economical method for shipping your order, unless otherwise notified. If you require expedited freight, please note your preference on the order form.

Freight costs will be added to your order at the time of shipment. $400 minimum for free freight (local market delivery). Ask your Account Executive for more information.

F.O.B Glenview, Illinois unless otherwise stated.

BACKORDERS
If an item you request is currently unavailable, you will be given the option of putting the item on backorder, choosing a different item, or canceling your order without penalty. If you choose to backorder the item, we will ship and bill the order when the goods are available.

RETURNS
If you are unhappy with your merchandise, we will gladly accept a return under the following conditions. Prior to return, all merchandise requires a return authorization from North American. Goods returned in their original, first quality condition are subject to a 15% restocking fee. All unauthorized returns will be refused and sent back to the shipper. Items that have been personalized can only be returned if there is a problem with the imprint or workmanship of the item.

DAMAGE
All damage claims must be reported within 48 hours of delivery. Please keep all original paperwork and packaging for your claim. Please contact customer service immediately to report the problem. We will initiate the claim with the carrier.

LOOKING FOR SOMETHING DIFFERENT?
If you have not found what you're looking for in this catalog, please give customer service a call at 1-800-323-0297. We would be happy to assist you with a special order.
